## NATIONAL MILITARY MUSIC ACADEMY NEEDS YOU

The Civil Air Patrol will hold its National Military Music Academy July 12<sup>th</sup> to July 28<sup>th</sup> at Camp Frettered, Maryland. Upwards of forty cadet musicians are expected to turn out for this activity. We need help. Band members who would like to help clinic the cadets are encouraged to talk to Major Carroll as soon as possible. We will need drivers four about five vans. These must be Civil Air Patrol vehicles. Accordingly, a CAP drivers' license is needed. Any senior member with current drivers license [and not too many points deducted] is eligible to have a CAP license. This is useful not only to the NMMA but the band, as well. Please consider it.

## UNIFORM CHECK

A reminder to band members wearing either corporate uniform or the U.S. Air Force-style uniform to make sure that their uniforms are set up properly and worn in accordance with CAP regulations. This also applies to hair cuts or styles, personal jewelry, nail polish, shoes, ties, insignia, and other details. Please check CAP-31 the manual for uniform wear [available on line] or simply ask Major Carroll if you have any questions in this regard. Performing at Arlington National Cemetery, the Korean War Veterans Memorial, and other events attended by military service personnel, and veterans, means that we may be closely scrutinized for correct uniform wear and deportment.
